*Private Secretary of the Governor*

## CHAPTER \_\_\_\_\_

An act to add Section 10295.2 to the Public Contract Code, relating to public contracts.

## LEGISLATIVE COUNSEL'S DIGEST

AB 2031, Evans. Public contracts: state acquisition of new vehicles.

Existing law imposes various requirements and prohibitions on state agency contracts for goods. Among these requirements is a requirement that the contractor certify that it has not provided goods under the contract that were produced under specified prohibited labor conditions, and that the contractor has complied with specified provisions of law.

This bill would prohibit the Department of General Services from approving a vehicle acquisition request, vehicle purchase order, or new contract for the purchase of new vehicles that would result in the expenditure of funds unless the secretary or director of an agency or a department, respectively, that has requested the acquisition of the new vehicles makes a certification, as specified, verifying that the purchase is vital and mission critical for the agency or department.

*The people of the State of California do enact as follows:*

SECTION 1. Section 10295.2 is added to the Public Contract Code, to read:

10295.2. (a) No vehicle acquisition request, vehicle purchase order, or new contract shall be approved by the Department of General Services for the purchase of new vehicles that would result in the expenditure of funds unless a certification is received in writing and signed by the secretary or director of an agency or a department, respectively, or his or her designees, that has requested the acquisition of the new vehicles, verifying that the purchase is vital and mission critical for the agency or department.

(b) The certification shall include the date, title, and the signature of the person authorizing the purchase.

Approved \_\_\_\_\_, 2010

---

*Governor*
